Information Brochure
About IET

Founded in 1998, Institute of Engineering & Technology, Alwar is an AICTE approved & affiliated to RTU, Kota first self-financed college of Rajasthan. It is promoted by All India Society for Advance Education & Research; New Delhi and was established with the mission of quality excellence and creativity. From this modest beginning, it has now grown into the “IET Group of Institutions” which is one of the biggest groups in North India in providing technical education at UG, PG & Ph.D. levels. It is managed by group of visionary professionals led by its Chairman, Dr. V.K. Agarwal (MBBS, MD, MBA) supported by Executive Director, Dr. Manju Agarwal (MBBS, MBA) and Director, Er. Deep Kamal Agarwal (B.Tech, MBA) with a vision to fulfill the finest Educational Standards in Northern India, particularly in Rajasthan. It now includes Engineering Institutes, a Pharmacy College, and “Sunrise University” established in 2011, the only Private University at Alwar.

Advantages of IET in NCR

- Alwar comes under NCR (National Capital Region) and situated between two capitals i.e. Delhi and Jaipur.
- DMIFC (Delhi-Mumbai Industrial Freight Corridor) passing through Alwar District Industrial Areas viz. Bhiwadi, Neemrana, Bawal, Khushkhera, in which approx. Rs. 5.00 Lacs Crores are proposed to be invested within 3 to 4 years. Huge Technical Manpower for job viz. B.Tech/Diploma/ITI holders will be required for these industrial areas.
- Green Airport is sanctioned to be developed in Alwar District with Aero City Project in 26 Sq. Km. with Private Investment of Rs. 20,000 Crores.
- Metro Rail is also sanctioned to be connected between Delhi-Gurgaon-Bhiwadi-Rewari-Neemrana-Alwar in the coming years.

The Core values include:

- True commitment to quality, professionalism and integrity.
- Firm Determination for achieving greater dimensions of teaching pedagogy.
- Hard work in achieving Educational Excellence.
- Critical thinking skills, learning ability and life-long learning.
- Research excellence and innovative leadership.
- Technical and educational competitiveness.
- Global Leadership development.
- Interdisciplinary culture and collaborative efforts.
- An environment that is supportive of a diverse community of students, faculty, staff and industrial exposure.

Vision

To transform ignited minds into technocrats and managers, globally competitive, highly skilled with positive mind-set, responsive to the society needs, who respect human values and work as a cohesive team, through a temple of learning and knowledge, which is a center of excellence in engineering, technology and management with a distinct work culture and vibrating environment.

Mission

To build an institution, brick by brick, through sustainable efforts with an environment which empowers the faculty and staff to facilitate teaching learning process with active participation and encourages the students to develop competencies for life-long learning with following inputs/outputs.

- State of the art infrastructure.
- Industry Academia Interface.
- Faculty and staff development initiative.
- Research & Development activities.
- Inculcating human values & ethical behavior.
- Life Long Hard work.

Quality Policy

"Quality education is our motto & we are committed to quality excellence in our technical profession"
Take the right step to your Dream Career with IET Group

10 REASONS WHY IET GROUP OF INSTITUTIONS IS THE MOST PREFERRED CHOICE!

1. Lush green campus with ultra modern amenities such as wifi, fully furnished Classrooms, Auditoriums, Labs. & many more.
2. Career Oriented Courses in addition to the basic curriculum
3. Digital Classrooms
4. Specialized & Unique R&D Lab such as RF, CNC etc.
5. Focus on practical teaching along with theory classes
6. Highly graded teaching learning practices
7. Excellent Result
8. Technical training, personality & communication devep. programme
9. Regular interaction with various industrialists and individuals from the corporate world
10. 100% Placement Assistance

B.Tech.
- Computer Science & Engg.
- Electrical Engg.
- Mechanical Engg.

M.Tech.
- Digital Communication
- Power Systems
- VLSI Design
- Software Engineering
- Computer Science

Pharmacy
- B.Pharma.
- M.Pharma (Pharmaceutics)
- M.Pharma (Pharmacology)
- M.Pharma (Pharma Chemistry)

M.B.A.
Master of Business Administration

Ph.D.
- Ph.D. Pharma
- Ph.D. ECE
- Ph.D. Management
Why MBA @ IET

1. MBA, IET Faculties come with diverse and rich experience in academics and industry.
2. During the MBA Program students are exposed to regular Industry Interface and mentoring with senior executives in MDPs, Industrial visits & Internships etc.
3. Dual specializations in all RTU mentioned areas.
4. Various computer software training as part of the curriculum.
5. Four tier mentoring program (faculty+ industry+ alumni+ peers)
6. Focus on applied and experiential learning.

Free Add-ons at MBA @ IET

1. Tally ERP 9.0 Professional Level (3 Months)
2. SPSS 22.0 Full Version for Quantitative Data Research (2 Months)
3. Financial Modeling and advanced Excel (180 Hours)
4. Stock market Live-trading session on Real Data (First Semester Onwards)
5. Recorded YouTube Video Lecture of all class lectures

Research at MBA @ IET

Any Post graduate in MBA / M.Com with 60% is eligible for Ph.D. at MBA IET, affiliated to Rajasthan Technical University Kota. MBA IET is only research centre in this region to RTU Ph.D with advanced research lab and eligible supervisors in Finance, HR and Marketing. Ph.D. aspirants willing to pursue research may contact department or RTU website (www.rtu.ac.in/RTU/phd) for June 2017 session. Candidates those have already qualified JRF/NET/SLET will be considered for scholarships as per UGC/RTU norms from IET Alwar up-to 24,000/month.
